### Road Delays for Paving

Drivers may encounter delays as paving continues for the 2021 Countywide Overlay Project. Lakeside Industries, under contract with Cowlitz County, is scheduled to resume paving on County roads **Thursday and Friday, June 24th and 25th on Tower Road in rural Castle Rock**. Paving operations may continue on Tower Road on Monday before shifting to Rose Valley Road, and then to rural Longview roads that were postponed early last week due to wet weather. Paving operations are expected to be completed in early July though paving is dependent on dry weather.

Flaggers will be present as one lane will be closed. Drivers should expect delays of up to 15 minutes between 7:00 a.m. and 6:00 p.m. in the active work zones.

Please use caution near construction zones and obey the directions of construction personnel and traffic control devices.

Paint striping, chip sealing, overlay paving, culvert replacements and road improvements are scheduled throughout the summer.
