TOWER ROAD / ROCK CREEK WASHOUT

The Board of County Commissioners approved Public Works staff to move forward with a bridge solution for the Tower Road/Rock Creek washout. Staff estimates an early fall installation time line for the 18ft wide by 140ft long structure. At this time, the department is not anticipating any load restrictions, however, the bridge will be limited to one lane of traffic. The engineering team is continuing to work on the design of a permanent structure solution in the future.

For up-to-date information please call the Department of Public Works at (360) 577-3030, or visit our website at www.co.cowlitz.wa.us/publicworks, or the Cowlitz County Department of Public Works Facebook page.
