HAVE AN IDEA, VISION OR SOLUTION?

How to submit a Long Range Planning Work Plan request

Written requests for long range planning efforts can be made at any time. Requests must include identification of the sender – full name, organization or company affiliation (if applicable), mailing address, phone number and email address. Include resources available to make the idea a reality – Are you willing to volunteer on a committee? Do you have reference materials already available? Etc.

Please consider

Due to staffing constraints, only a limited number of Work Plan requests can be accommodated in any given year.
